

'Col Iso Ell'

There's a wee boat in the water,
It's called 'Col Iso Ell'.
From whence came this curious craft,
now swaying on the gentle swell.

'Col Iso Ell', a name of curious hale.
Perhaps it's from a far off land,
from which adventurous tales abound;
Or yet, maybe from a port less grand.

'Col Iso Ell', such intrigue you have stirred.
Yet, gently on your hull the water laps.
Can you have fables that will be told over and again?
No mystery to someone, then yet, perhaps.

There's a wee boat in the water,
It's called 'Col Iso Ell'.
What seafaring tales are within, I wonder.
No-one may ever tell.
